BALLARAT KART CLUB

Ballarat Kart Club is 60 years old and the township of Haddon turns a milestone 150 in November!

The Ballarat Kart Club is proud to be part of the local community, with various activities involving schools outside our core karting activities over many years.

We are excited to host our first VCS since 2019. The Victorian Country Series finale this weekend will be one event of many in the celebration of Haddon that will stretch from November until April 2023.

Welcome to Ballarat Kart Club

The Ballarat Kart Club is extremely excited to host the final round of the 2022 DPE Victorian Country Series.

It's has been a long 3-year wait between major events for the club, and the enormous effort of the club volunteer group has been nothing short of amazing.

Ballarat Kart Club has had a year to remember, with our 2nd open meeting and the Winter Teams Challenge being a great novelty and fun event. We also celebrated our clubs 60th Anniversary bringing together the club's history and members from the past and present for a great social night.

Ballarat Kart Club are proud to have received a major capital works grant from the state government that will see the track extended in length and multiple passing opportunities introduced to offer improved and exciting great racing.

I would personally like to thank the volunteering group that makes up the Ballarat Kart Club. We are a strong group that bring together many skills with a shared passion for racing. Our ability to execute a race event such as the VCS is only made possible with many hands. Thank you.

Good luck to everyone competing this weekend, we look forward to presenting our new track for you to enjoy early in 2023!
