## DPE Victorian Country Series Round 6

### VENUE:

SOUTH WEST KART CLUB  
Cobden Victoria

The South West Kart Club is based at the old Cobden Racecourse and was formed in August 1992 by local members who previously had raced at Geelong and Ballarat. At this first meeting a decision was made to build a first class bitumen track specifically for go kart racing, a plan was drawn up with the track being 966 meters in length and 8 meters in width.

### COMMUNITY SUPPORT

After a lot of hard work from members and the local community which has got right behind the project from the start, the track was finally ready for racing on in March 1996 and has since had rave reviews about its plentiful passing positions, great layout, long straights and the ability to cater for large fields.

THANK YOU TO OUR 2024 SERIES SPONSORS
