WELCOME TO THE PORTLAND DISTRICT KARTING CLUB

On behalf of the Portland & District Karting Club, I'd like to extend a warm welcome to all the karters, their families, and friends who've joined us for what promises to be an exciting weekend of racing!

Running an event like this is no small feat, especially for a small club like ours. I want to give a huge shoutout to our dedicated club members whose hard work, passion, and countless hours of effort have made this weekend possible.

Whether in the lead-up to the event or working behind the scenes throughout the weekend, their commitment never goes unnoticed.

We're also deeply thankful to our sponsors, whose continued support plays a vital role in bringing events like this to life. Their partnership helps make events like this possible.

To all the competitors, we welcome you to Portland this weekend — best of luck! I look forward to a weekend full of fast-paced action, unforgettable moments, and plenty of fun for both drivers and spectators alike.

Here's to an unforgettable weekend of karting!

About the Portland District Karting Club

Hosts of VCS R2, April 12-13, 2025

The Portland & District Karting Club was formed in the 1960's, with the track at Portland's Yarraman Park. The original layout was 560 metres long and an extension added in the 2000's to bring it to 752 metres and widened to 8 metres with a new hot mixed surface to bring it to modern standards.

In 1997 Portland held its first annual Street Grand Prix. In 2001 Ford Racing Australia became the naming sponsor and AGP Corporation was the major sponsor. The Portland Street Grand Prix was one of Australia's most prestigious events held annually.

At a time when karting was struggling to maintain numbers the Portland Street Grand Prix provided the sport with a significant boost in profile through a state-wide TV advertising campaign and a heavy print and radio media campaign within the region.
