GIRLS RACE TOO!

#GIRLSRACETOO AND THE VICTORIAN COUNTRY SERIES

The VCS strongly supports #girlsracetoo, promoting and growing the inclusion of female competitors and participants in all parts of our sport.

VCS #GirlsRaceToo Gatherings

GirlsRaceToo Gatherings are a new part of our part of the VCS schedule, with an informal GirlsRaceToo Gathering usually at **5:00pm each Friday**** before the event.

Liza Fahey will host the gathering, and all girls and women in the paddock are welcome to attend, share their experiences, and be part of the growing GirlsRaceToo community within the VCS.

Anyone who supports GRT and the women involved in our VCS rounds is also welcome to join.

**Subject to change. Check Facebook posts for updates

2026 COMMENTARY AND PHOTOS

OFFICIAL MEDIA - AHR MEDIA AND BPM PHOTOGRAPHY - MOTORSPORT

The VCS is proud to call Andrew Hayes of [AHR Media](#) one of our own.

He has an encyclopaedic knowledge of VCS competitors dating back at least twenty years, and his race calls rate among the very best in Australian karting.

With all this time watching the action, Andrew also contributes his words to the race report, which typically lands just a few short days after the event.

He is very open to receiving extra news for the race at hand via social media, even the correct pronunciation of a karter's name.

Brad McLaren of [BPM Photography - Motorsport](#) is an excellent operator behind the lens.

You get to see many of these photos publish online on our social media, and you are welcome to purchase more photos of your class or competitor post-race from BPM.

As a great photographer, Brad gets up very early for cool early-frost photos, stays late for the golden sunset photo, or just hangs about in the middle of each track's "Siberia" to get an original angle. BPM has also chosen four excellent VCS ambassadors for 2026.

ABOUT THE CLUB

PORTLAND DISTRICT KARTING CLUB

The Portland & District Karting Club was established in the early 1960s and has been a proud part of the local sporting community for more than six decades.

Located at Yarraman Park, the club's circuit was first sealed in 1965, providing a permanent home for kart racing in Portland. The original track layout measured 560 metres in length and served generations of karters from across Victoria and beyond.

In the 2000s, the circuit underwent a major redevelopment, with an extension increasing the track length to 752 metres. The circuit was also widened to 8 metres and resurfaced with a modern hot-mix asphalt surface, bringing the facility up to contemporary racing standards and further enhancing the quality of competition and safety for competitors.

Today, the Portland District Karting Club continues to invest in its facilities and remains committed to providing a welcoming environment for racers, officials, volunteers, and spectators while fostering the growth of karting in regional Victoria.

WELCOME FROM THE CLUB

PRESIDENT WELCOME

On behalf of the Portland District Karting Club, I would like to extend a warm welcome to all competitors, officials, volunteers, sponsors, families, and spectators attending the Third Round of the Victorian Country Series.

We are proud to host this event and appreciate everyone who has travelled to Portland to be part of what promises to be a fantastic weekend of racing and competition.

Events of this scale simply would not be possible without the generous support of our sponsors, whose contributions help make weekends like this a reality. We would also like to acknowledge and thank the hardworking members and committee of the Portland District Karting Club. Their dedication, countless volunteer hours, and commitment behind the scenes ensure our facility and events continue to improve and grow.

Over the past few months, our club has undertaken significant improvements around the venue, including extensive track works, fencing upgrades, general maintenance, and other facility enhancements. These projects are a testament to the pride our members take in our club and their commitment to providing the best possible experience for competitors and visitors alike.

We hope everyone enjoys their time at Portland, races hard, races fairly, and most importantly, have a safe and enjoyable weekend.

Best of luck to all competitors and thank you for supporting the Portland District Karting Club.

Kartingly yours
Daniel Rethus
Club President

NEXT ROUND – WIMMERA KART RACING CLUB

ROUND 4 15-16 AUGUST 2026

Round 4 takes the Victorian Country Series to Wimmera Kart Racing Club at Dooen, just outside Horsham. The Horsham circuit was transformed in 2022 with a major extension and full resurfacing project, adding 330 metres to the layout and bringing the track to 635 metres overall.

It may be one of the shorter laps on the calendar, but it rarely gives drivers a rest: the compact clockwise layout combines fast bursts, stop-go corners and 180-degree bends, making passing, defence and braking battles a constant part of the weekend.

Expect close racing, busy packs and plenty of pressure from the first lap to the last.
