GIRLS RACE TOO!

#GIRLSRACETOO AND THE VICTORIAN COUNTRY SERIES

The VCS strongly supports #girlsracetoo, promoting and growing the inclusion of female competitors and participants in all parts of our sport.

We have many women participating in various off-track roles, as well as a great group of female competitors competing on track.

Tag us with your #girlsracetoo story, and please sing out to let the VCS know what we can do to improve from a female perspective.

There are also several GRT ambassadors in our fields that we can reach out to.

2026 COMMENTARY AND PHOTOS

OFFICIAL MEDIA - AHR MEDIA AND BPM PHOTOGRAPHY - MOTORSPORT

The VCS is proud to call Andrew Hayes of [AHR Media](#) one of our own. He has an encyclopedic knowledge of VCS competitors dating back at least twenty years, and his race calls rate among the very best in Australian karting.

With all this time watching the action, Andrew also contributes his words to the race report, which typically lands just a few short days after the event.

He is very open to receiving extra news for the race at hand via social media, even the correct pronunciation of a karter's name.

Brad McLaren of [BPM Photography - Motorsport](#) is an excellent operator behind the lens. You get to see many of these photos publish online on our social media, and you are welcome to purchase more photos of your class or competitor post-race from BPM.

As a great photographer, Brad gets up very early for cool early-frost photos, stays late for the golden sunset photo, or just hangs about in the middle of each track's "Siberia" to get an original angle. BPM has also chosen four excellent VCS ambassadors for 2026.

ABOUT THE CLUB

SOUTH WEST KART CLUB

The South West Kart Club is based at the old Cobden Racecourse and was formed in August 1992 by local members who had previously raced at Geelong and Ballarat. At that first meeting, a decision was made to build a first-class bitumen track specifically for go-kart racing. A plan was drawn up for a track measuring 966 metres in length and 8 metres in width.

COMMUNITY SUPPORT

After a lot of hard work from members and strong support from the local community, which got right behind the project from the beginning, the track was finally ready for racing in March 1996. Since then, it has earned rave reviews for its plentiful passing opportunities, great layout, long straights, and ability to cater for large fields.

WELCOME FROM THE CLUB

PRESIDENT WELCOME

The South-West Kart Club extends its welcome to all competitors, officials, volunteer sponsors, and their families to the first round of the 2026 DPE Victorian Country series.

First, we would like to thank the VCS sponsors, officials, and canteen staff who volunteered their time and effort to make the weekend a huge success.

And also, thank the people that helped to get the circuit and surrounds in excellent condition.

We thank you for supporting this series and wish you a successful and enjoyable weekend.

And a safe trip back home to family and friends.

Michael Clover
President
South West Kart Club

NEXT ROUND – HAMILTON KART CLUB

ROUND 2 23-24 MAY 2026

HAMILTON KARTING CLUB

We LOVE driving at Hamilton!

Most people don't get to race there too often, but the track has some great undulating features that make it an absolute pleasure to drive on.

There are massive kerb flying photo ops through the first turns as well.

Buckey's Swamp can be bone dry or more than a bit soggy, just what will it be for round two in 2026?
