GIRLS RACE TOO!

#GIRLSRACETOO AND THE VICTORIAN COUNTRY SERIES

The VCS strongly supports #girlsracetoo, promoting and growing the inclusion of female competitors and participants in all parts of our sport.

VCS #GirlsRaceToo Gatherings

GirlsRaceToo Gatherings are a new part of our part of the VCS schedule, with an informal GirlsRaceToo Gathering usually at **5:00pm each Friday** before the event.

Liza Fahey will host the gathering, and all girls and women in the paddock are welcome to attend, share their experiences, and be part of the growing GirlsRaceToo community within the VCS.

Anyone who supports GRT and the women involved in our VCS rounds is also welcome to join.

2026 COMMENTARY AND PHOTOS

OFFICIAL MEDIA - AHR MEDIA AND BPM PHOTOGRAPHY - MOTORSPORT

The VCS is proud to call Andrew Hayes of [AHR Media](#) one of our own.

He has an encyclopaedic knowledge of VCS competitors dating back at least twenty years, and his race calls rate among the very best in Australian karting.

With all this time watching the action, Andrew also contributes his words to the race report, which typically lands just a few short days after the event.

He is very open to receiving extra news for the race at hand via social media, even the correct pronunciation of a karter's name.

Brad McLaren of [BPM Photography - Motorsport](#) is an excellent operator behind the lens. You get to see many of these photos publish online on our social media, and you are welcome to purchase more photos of your class or competitor post-race from BPM.

As a great photographer, Brad gets up very early for cool early-frost photos, stays late for the golden sunset photo, or just hangs about in the middle of each track's "Siberia" to get an original angle. BPM has also chosen four excellent VCS ambassadors for 2026.

ABOUT THE CLUB

WIMMERA KART RACING CLUB

Our club may be one of the smallest clubs in Victoria, but when it comes to a big event, we can rely on our club members to band together to put on a great race. Our club members understand that individual commitment is needed to achieve team success.

We share the same passion: KARTING! Each and every one of us has a special talent to give to our team, and together we will achieve success — WKRC.

Our club was formerly known as the Horsham Go-Kart Club. It was a dirt track in the late 1960s, where members raced simple homemade karts with Victa motors. It wasn't until 1981 that they upgraded the circuit to a limestone dirt track.

If you're lucky, you might see some early footage of the club on the big screen in the club room over the weekend.

In the early days, the club had a membership totalling in excess of 100, with up to 60 racing competitively throughout the state.

They then progressed from racing on dirt to a bitumen track, which was laid in December 1982. During the mid-80s, the track was re-designed and a hot-mix surface applied.

A decision was made by the Executive Committee during the 80s to consolidate the club, and a name change was made to the "Wimmera Kart Racing Club". Membership in 1987 was approximately 50.

The club had its first race meeting on the new bitumen circuit on Sunday, 5 June 1988. The official opening of the track was later in the year, during the warmer weather, on 20 November 1988.

In 2021, the club took advantage of the Victorian Government's Sporting Infrastructure Grants and extended the track from 518 metres to 635 metres. Numerous other improvements have been made since then to provide the fantastic facility that the Horsham community and karters from across the country enjoy today.

WELCOME FROM THE CLUB

PRESIDENT WELCOME

On behalf of the Wimmera Kart Racing Club, I would like to extend a very warm welcome to all competitors, officials, families, spectators and members who have joined us in Horsham for this Victorian Country Series event.

It is fantastic to see so many people entered to race and we hope everyone has a great weekend, enjoys the racing, catches up with old friends and makes some new ones along the way. We are proud to host this event and showcase what our club and the Wimmera region have to offer.

Behind the scenes, our club continues to grow and improve thanks to the hard work and commitment of our members and volunteers. Over recent months we have continued with a number of projects around the club, including improvements to our facilities and grounds, ongoing work around the grid area, and a number of upgrades that will make the club a better place for our members and visiting competitors.

None of this happens without the people who are willing to give up their time. I would like to sincerely thank our committee, members and volunteers for the many hours they put in throughout the year. Whether it is working bees, preparing the track, running the canteen and the hours of paperwork. We enjoy the mateship that comes with it.

A special welcome also goes to everyone who has travelled from other clubs and regions to compete with us this weekend. We hope you enjoy the track, the competition and the friendly atmosphere that our club is known for.

Finally, thank you to our sponsors, supporters, officials and everyone who helps make this event possible. Your continued support is greatly appreciated.

I wish all competitors the very best of luck for the weekend, and to everyone attending, I hope you have a safe, enjoyable and memorable time at the Wimmera Kart Racing Club. Welcome to Horsham, and enjoy the racing!

SERIES INFO

KARTING AUSTRALIA - TYRES

KARTING AUSTRALIA, LECONT AND MAXXIS

Karting Australia supports the Victorian Country Series with LeCont and Maxxis tyres through its Product Sponsorship Program.

Karting Australia are proud to be able to provide the VCS via the suppliers, Lecont and Maxxis Tyres as sponsorship for random draws at each round.

CAMPING REQUIREMENTS

Wimmera Kart Racing Club welcomes campers at the circuit 🥰

We have worked hard over the past few years to improve the facilities and in particular our toilets and showers.

We hope your stay at the circuit is a pleasant one.

Pre-paid camping will cost \$25 per VCS entry.

E.g. if a team has one kart entry the camping fee is \$25. If the team has three karts the camping fee is \$75.

📄 The camping fee helps to partially cover the additional insurance required to allow for campers at our track. As we are not a large club we cannot ask our members to cover something that they do not use.

📅 It is preferable that you pay for camping before arriving at the circuit.

🔥 Camping is allowed anywhere within the pit area that is not assigned to sponsors. The best camping and the flattest spots are in the Motorcycle Club grounds.

📄 Please refer to the Supp- Regs Circuit Specific Requirements Camping for further details.

✂️ **BOOKING YOUR CAMPING SPOT IS ESSENTIAL**

💻 To book camping please contact wkrctreasurer@gmail.com

Campfires

You may have a Campfire at Wimmera for Round 4 of the VCS.

- It must be contained in a fire drum.
- Bring your own firewood.
- Fires must be 3 metres clear of tents and shelters.
- There are to be no fires on the ground. (A circle of rocks is no good)
- There are a few fire drums available at the back of the in grid.
- Fires must be out when not being supervised.
- No bonfires.

NEXT ROUND – WARRNAMBOOL

ROUND 5 12-13 SEPTEMBER 2026

What's better than a trip to the coast with a (stiff) breeze?

Warrnambool Kart Club sits just metres from the Southern Ocean, with the sound of Bass Strait crashing against the nearby cliffs.

It's a fantastic circuit with real elevation change — a turn-one plunge down the hill, followed by the climb back up through a layout that creates plenty of opportunities to race side-by-side, over and under.

And if you're there early enough, the view across the rolling green pastures of Allansford at sunrise is one of the best in Victorian karting.
